

In these tough economic times, it can be challenging for LGBT and Allied families to go out around town. Shannon Oakman (soakman@glbtcolorado.org), The Center's Families Programs intern, has compiled a list of restaurants that have free/low cost activity specials for children. Please note that venues may change offers at any time, so please call the venue ahead to confirm. We hope you enjoy your family experience! Please note that we have compiled this list as a service to the community, and the Center is not endorsing any specific venue as family or LGBT friendly.

| Venue | Phone | Address | City | Note | Website |
